

May 12, 2026 – Notice of Closure

To our Valued Patients & Community,

For many years, it has been our honor and privilege to serve as your community pharmacy. We have shared journeys in your health, built relationships, and watched families grow, providing the personalized care you deserve. We want to express our deepest gratitude for the trust you placed in us.

It is with a heavy heart that to inform you that Mint Hill Pharmacy will be closing its doors permanently at the end of business on **June 11, 2026, as our last day of operations**. This decision was not made lightly, but the chronic under-reimbursement by pharmacy benefit managers along with slower payments forced us to make this change out of financial necessity. Your health and the continuity of your medication therapy remain our highest priorities during this time, and we want to ensure that the transition of your care is as seamless as possible. To ensure you do not experience any gap in your care, some of the pharmacy staff along with all the prescription files will automatically be **transferred on June 12, 2026** to:

Harris Teeter Pharmacy

7036 Brighton Park Dr, Mint Hill, NC 28227

Phone: (704) 545-3845

Hours: Mon - Fri - 9AM-8PM

Sat-9AM-6PM; Sun-11AM-6PM

Pharmacy Lunch Hours (Closed): 2-2:30PM

Some of our staff, including pharmacist James Bowman, technician Caleb, and others, will be at the new location and are looking forward to continuing to help care for your pharmacy needs at Harris Teeter. Our staff is available until our final day of business to help refill your medication and answer any questions.

You have the right to transfer your prescriptions to any pharmacy of your choosing. If you would like your records transferred to another pharmacy, please contact that pharmacy to provide them with the necessary information about yourself. They will reach out to us to provide us with all the necessary information about their pharmacy to help us accurately and securely send them your prescription files.

Thank you for your support throughout the years,
James Bowman, PharmD
Pharmacist-Manager, Owner
